3. Stockton East Water District – Watershed Sanitary Surveys Memo, 01/26/21

Manager Moody provided the Board with information on the 2021 Watershed Sanitary Survey (WSS). Manager Moody reported the survey of the Calaveras and Stanislaus Rivers is conducted every 5-years and like in years past, the District is planning to partner with other agencies along the river to share the cost. Assistant Manager Hopkins added the Stanislaus/Calaveras River

Group (SCRG) met last week to review the proposal and discuss cost sharing allocation. The SCRG were all in agreement to sole source the WSS to Water Quality and Treatment Solutions, Inc. (WQTS). Manager Moody reported breakdown of the cost allocation for the SCRG may have minimal changes and the Cost Allocation Agreement will be brought back to the Board for separate approval.

President Watkins inquired on Calaveras County Water Districts (CCWD) participation, noting they did not participate in the Habitat Conservation Plan, and commented on staff working with Legal Counsel regarding this. Assistant Manager Hopkins replied the WSS is due in May and the timeframe for the WQTS to complete is short. Manager Moody confirmed CCWD is included in the WSS and noted they will have a separate cost sharing agreement to enter into. Manager Moody added staff can look into this for the next 5-year update.

Director McGurk commented Oakdale Irrigation District (OID) is absent from the SCRG and inquired if it is because of their use of well water. Manager Moody replied yes and added mainly because OID does not take water for municipal use from the Stanislaus River.

A motion was moved and seconded to approve procurement of Water Quality and Treatment Solutions, Inc. (WQTS, Inc.) to conduct the 2021 Watershed Sanitary Survey (Calaveras & Stanislaus Rivers) Update in the amount of \$139,910.

4. Stockton East Water District – Eastern San Joaquin Regional Water Management Plan Memo, 01/26/21

a. Resolution No. 20-21-13 – Adopting The Eastern San Joaquin Integrated Regional Water Management Plan 2020 Addendum

Manager Moody provided the Board with information on the Eastern San Joaquin Integrated Regional Water Management Plan (IRWMP). Assistant Manager Hopkins reported the District signed a Memorandum of Understanding (MOU) in 2019 with other entities to form the Greater San Joaquin County Regional Water Coordinating Committee to facilitate the update to the IRWMP. Assistant Manager Hopkins reported the Coordinating Committee finalized the 2020 Addendum in November 2020, provided appropriate public notices for consideration of adoption and ultimately adopted the 2020 Addendum on January 20, 2021. Assistant Manager Hopkins reported because the District is a signatory to the MOU, the District must also adopt the 2020 Addendum by Resolution, noting Resolution adoption is also necessary to be eligible for IRWMP grant funding.

Manager Moody added the biggest difference is the District had to compete with all the agencies in the region for grant funding and now that has changed as there is guaranteed grant funding available for the Eastern San Joaquin IRWM region, in this round and future rounds. Director McGurk inquired on how many million in grant funding is guaranteed. Assistant Manager Hopkins replied there is ~\$6.5 million ear-marked for the Eastern San Joaquin region.

A motion was moved and seconded to approve the Resolution No. 20-21-13 – Adopting The Eastern San Joaquin Integrated Regional Water Management Plan 2020 Addendum.

Roll Call:

Manager Moody provided the Board with Resolution No. 20-21-14 – Re-Authorizing Yearly Investment Policy. Finance Director Vega reported the District is mandated by law to have an Investment Policy in place and be revised and approved by the Board annually. Finance Director Vega reported there were no substantive changes to this Policy and highlighted the list of investment types if the District desired to go that route. Currently the District invests in Local Agency Investment Fund (LAIF).

A motion was moved and seconded to approve the Resolution No. 20-21-14 – Re-Authorizing Yearly Investment Policy – Investment Policy No. 6020.
