Subject: Change in Contractor's Service Area Map (Exhibit A), Stockton East Water District (District),
Contract Number 14-07-20-W0329 (Contract), Central Valley Project (CVP), California

Dear Mr. Hopkins:

The Bureau of Reclamation (Reclamation) has received your letter dated June 7, 2023, and Ms. Jeanne Zolezzi's letter dated July 11, 2023, regarding the District's January 31, 2013, June 13, 2018, and August 21, 2020, requests for inclusion of new lands into the District's service area. We would be pleased to meet with you to discuss our previous responses and the anticipated challenges associated with your request.

To move forward, Reclamation and the District need to enter into a Letter of Agreement (LOA) whereby the District will agree to pay, in advance, all of Reclamation's costs associated with the review. Reclamation will send this LOA to you by separate mailing.

If you have any questions, please contact Brad Hubbard, Chief, Resources Management Division, at bhubbard@usbr.gov or (916) 537-7041.

Sincerely,

Drew Lessard
Area Manager
