**STOCKTON EAST WATER DISTRICT
APPOINTS PAUL NAKAUE AS DIRECTOR OF DIVISION 6**

The Stockton East Water District Board of Directors is pleased to announce the appointment of Paul Nakaue to our Board. Director Nakaue will be representing Division 6.

The vacancy in Division 6 resulted from the sudden passing of Director Lorelee McGaughey who served as a Board member since 2002. Director Nakaue will serve the remainder of Director McGaughey's term, and plans to run as the Division 6 incumbent in the November 2024 election.

Paul Nakaue is a retired attorney and has practiced in the areas of agricultural law, real estate, business and estate planning. He was also a member and officer of several Boards of Directors for nonprofit organizations such as the Children's Museum of Stockton, Central Valley Rowing Club, and Japanese American Citizens League (JACL).

Richard Atkins, President of the Stockton East Water District Board of Directors said, "the Board is fortunate to be able to appoint such a qualified and community-minded candidate".
